PRAYERS Let us be thankful for all the education providers in and around Gloucester.

Let us pray for children and young people in Gloucester as they begin a new school year – for those who are anxious, those starting new schools and those who find change difficult and also, students as they start University or College, that they settle in, make new friends and feel supported in their studies.

Let us continue to pray for healing and wholeness in mind, body and spirit for Mary, Emma, Jean Corless and Bob Curzon.
